# GUILD CLUB 2019 LEADERS CONFERENCE

**DAVID JORRITSM**  
**VICE PRESIDENT - ACTIVITIES**

Welcome to our inaugural Clubs Conference!

Our team here at the Curtin Student Guild is thrilled to have you here and to be able to give you an opportunity to learn new skills and develop your club or society, so that you can better support your members.

This conference has many exciting workshops designed to help you improve your club or society to better deliver its benefits to your members. The sundowner after the conference is a wonderful opportunity to discuss the big issues (or the small ones) with like minded people who are dedicated to their commitment of supporting their member networks.

With a fast-paced and ever changing world, it is always a good idea to take some time to stop and re-evaluate your club/society's purpose and activities, to ensure that you are putting your efforts towards what can make the best impact for your members. I encourage you to make the most of this day (and evening sundowner) so you can bring new ideas and initiatives, to enhance your ability to support your members, back to your club or society.

BY WED 21  
AUGUST

DELIVERED BY JOSH FARR, FOUNDER, CAMPUS CONSULTANCY  
[WWW.CAMPUSCONSULTANCY.ORG](http://WWW.CAMPUSCONSULTANCY.ORG)

Representatives from Guild-registered clubs and societies are invited to attend the inaugural Curtin Student Guild Club Leaders Conference. This exclusive & nationally acclaimed one-day training program has been developed specifically for club leaders, and is designed to equip you with valuable principles, strategies and mindsets in the following core outcomes:

- collaborating with stakeholders
- giving back to the community
- developing valuable products and/or services for members
- building & motivating a high-performing team
- diversifying a portfolio of partnerships
- increasing membership and event engagement
- executing effective fundraising/volunteering/mentoring
- crafting a personal brand and setting a leadership vision

This conference is open to committee members\* from all Guild-affiliated clubs & societies.

\*Note: This conference is open to both current and future club committee members, at the discretion of each club's 2019 committee. If you wish to invite prospective future committee members and/or those who have expressed interest in running for a position next year, you are most welcome to do so! Delegate numbers are limited – should maximum numbers be exceeded, attendee restrictions per club may apply. (You will be contacted via email by the Clubs Officer at least one week prior to the event, should this be the case).

**Registrations are essential.**

**Each attendee must register individually. You will need to log in or create a Guild user account to register.**
