

INTERNATIONAL STUDENT COMMITTEE.

Join us and become a part of the Curtin community! The International Student Committee (ISC) can be your family away from home.

WHO WE ARE

The ISC is a department of the Curtin Student Guild, a not for profit organisation that provides services to the student community.

If you are an international student at Curtin please think of us as your family away from home. We are here to support you if you have any issues or concerns and we will advocate for you if you have any difficulties with the University.

Feeling welcome and among friends is very important for everyone and especially so when you are new to a country. We organise fun activities and experiences all year to make you feel part of the Curtin community.

WHAT DO WE DO?

The ISC promotes multiculturalism on campus and one of the most exciting times of the year at Curtin is Multicultural Week which culminates in a community celebration known as Pasar Malam in October. We also regularly host events throughout the year, including:

August	BBQ Meetup
September	Curtin Speak
October	Pasar Malam
	Multicultural Week
