

Student details

Family name: *Student Family Name*
Given name(s): *Student Given Name*
Student number: *Student ID*

The Curtin Extra Certificate provides official recognition and evidence of significant involvement in co-curricular programs contributing to University life and the personal and professional development of the student.

Innovation and Enterprise

Programs within the Innovation and Enterprise stream engage students in programs that reflect Curtin's long history of fostering innovation. Student projects involve co-creating initiatives that develop entrepreneurial and enterprise thinking, and build employability skills.

Tier Requirements

- Tier 1 20 hours participation (minimum)
- Tier 2 35 hours participation (minimum)
Five online learning modules
Reflection activity
- Tier 3 70 hours participation (minimum)
Program completion

ENACTUS Curtin (Committee Member)

2020 Tier 2

Leadership

Programs within the Leadership stream are founded on the Social Change Model of Leadership. Students in leadership roles can further develop their capabilities through participation in tailored programs that extend and enhance their leadership competencies.

Curtin Student Guild Clubs and Societies (Committee Member)

Professional Development

Students completing programs in the Professional Development stream enhance their career development skills through a combination of practical, experiential learning, workshops, and work experience. These programs enable students to translate their practical experiences in workplaces in ways that develop their professional skills and identity.

23 Things

2021 Tier 1

Curtin Tax Clinic

2021 Tier 1

Student Ambassador Program

2021 Tier 2

Social Impact

Programs within the Social Impact stream provide students with experiences in local and global communities. Through volunteering and service, students contribute to collaborative projects that positively impact diverse groups. Students develop a broad range of transferable skills.
