to funding students to become politicians

Say **NO**
to an organisation run by factions

Say **NO**
to a union that forgets WA exists

The Curtin Student Guild should leave the
National Union of Students

In 2021 the Curtin Student Guild gave the National Union of Students **\$45,000** — and the NUS gave us:

- An online conference with zero actionable outcomes
- Full time paid office bearers who didn't respond to emails or messages for months at a time
- Volunteer office bearers who achieved absolutely nothing the whole year

With an extra **\$45,000** the Curtin Student Guild could fund:

- A whole extra office bearer such as Vice President - Welfare
- More professional staff to support students or clubs
- A huge free event such as the End of Semester Bash
