ABOUT US

Pasar Malam is coordinated by the International Student Committee of the Curtin Student Guild. We are a not for profit organisation that provides services to the student community.

PASAR MALAM

Pasar Malam returns on Friday 20th October 2023 from 5pm - 10pm celebrating more than 16 years as one of Curtin University's most iconic events. Named after the Malay and Indonesian phrase for "night market", the event is a vibrant celebration of international food and culture. We want visitors to experience cuisines from around the world while enjoying crafts and traditional performances in the charming laneways, gardens and promenades of Curtin University's Bentley campus.

We are seeking expressions of interest from stallholders who can provide unique and diverse food and cultural experiences.

- 30+ food vendors,
- Family fun zone with carnival rides, face painting, henna, and sideshow alley,
- Craft & artisan stalls featuring handmade and locally designed pieces,
- Free live on-stage entertainment and roving performers,
- More than 16 years of success,
- FREE event,
- More than 10,000 patrons,
- Family friendly, and
- Strong community engagement.

OUR ATTENDEES

Curtin Students (18-25+ years old)
Curtin Staff (25+ years old)
Families
Older community members
(50+ years old)

THE APPLICATION PROCESS

Applications open online in mid-August at
WWW.GUILD.CURTIN.EDU.AU

Selection Process

The key considerations we apply in the assessment of applications for Pasar Malam are:

- Type and origin of food (we endeavour to represent as many corners of the globe as possible at the event, and will preference cuisines that are not widely represented by other applicants)
- Prior experience/attendance at Pasar Malam and/or other food markets
- Flexibility and ability to fit in with other stallholders and work with Curtin Student Guild event organisers

What Happens Next?

Successful stallholders will be notified via email and issued an invoice after applications have closed.

Pasar Malam is a large and complex event. During bump-in, event duration, and bump-out, there is a lot going on. To ensure a safe and enjoyable event for all, all stallholders are required to attend an onsite induction and food safety briefing prior to the event.

This covers all operational health and safety issues and local government requirements, and will make the event a safer environment for you, your employees and patrons. Stallholders who fail to attend the induction and food safety briefing will not be permitted to trade at the event.

If you have any questions, or would like to know more, feel free to contact us!
